**IT IS HEREBY ORDERED THAT:**

1. The Debtors are authorized, but not directed, pursuant to sections 362, 363, 364, 1107, and 105(a) of the Bankruptcy Code and Bankruptcy Rules 4001, 6003, and 6004, to: (a) enter into and perform under new Postpetition Hedging Agreements, on terms mutually agreed between the Debtors and the Hedge Counterparties, in the ordinary course of business, consistent with the Hedging Practices, the Hedging Covenant in the DIP Term Sheet and Company's past practices;

(b) honor, pay, or otherwise satisfy as they become due all Hedging Obligations, including any fees and expenses incurred prior to the Petition Date, and (c) grant allowed Superpriority Claims and Postpetition Hedging Liens to secure the Hedging Obligations; *provided, however*, that the Debtors shall deliver to the Official Committee of Unsecured Creditors (the “**Committee**”) each hedge confirmation within 3 (three) business days after execution and the Debtors shall provide monthly reporting to the Committee that shall include a schedule containing (i) the preceding month’s outstanding hedge positions and (ii) the Company’s current hedge positions.

2. As security and assurance of the Debtors’ obligations arising under the Postpetition Hedging Agreements and in exchange for the Hedge Counterparties providing benefits to the Debtors in accordance with this Order:

- a. with respect to the obligations, liabilities and indebtedness arising from the Postpetition Hedging Agreements, the Hedge Counterparties are hereby granted continuing, valid, binding, enforceable, non-avoidable, and automatically properly perfected Postpetition Hedging Liens in accordance with the terms of such Postpetition Hedging Agreements, without the necessity of the execution by the Debtors or the filing of security agreements, pledge agreements, mortgages, financing statements, or otherwise;
- b. the obligations, liabilities and indebtedness arising from the Postpetition Hedging Agreements shall constitute Superpriority Claims against each of the Debtors, jointly and severally, that are *pari passu* with the DIP Obligations provided under the applicable DIP Order; and
- c. the automatic stay provisions of section 362 of the Bankruptcy Code are hereby modified to the extent necessary to permit each Hedge Counterparty to immediately and unconditionally (but, for the avoidance of doubt, subject to any grace or cure periods under, and other provisions of, the documents governing the applicable Postpetition Hedging Agreement) exercise and enforce any and all rights and remedies provided for in the applicable Postpetition Hedging Agreement, including but not limited to rights and remedies relating to the suspension of performance thereunder, the termination, liquidation, or acceleration thereof, withholding of performance thereof, and setoff, netting, and application of any payment, settlement payment, termination value, termination payment, and any other amounts that the counterparty would be entitled to receive from or otherwise be obligated to pay to any Debtor under a Postpetition Hedging Agreement

in accordance with the terms of such Postpetition Hedging Agreement without the need for any further Court order, and the exercise of any such rights and remedies by the Hedge Counterparties shall not be stayed, avoided, or otherwise limited as result of the pendency of these chapter 11 cases.

3. If any or all of the provisions of this Order are stayed and/or modified in a manner adverse to a Hedge Counterparty or vacated, or this Order otherwise terminates, such stay, modification, vacation or termination will not affect (a) the validity of any indebtedness, obligation or liability incurred by the Debtors to each Hedge Counterparty before the receipt of written notice by such Hedge Counterparty of the effective date of such stay, modification, vacation, or termination, (b) the validity or enforceability of the Postpetition Hedging Liens, Superpriority Claims, or netting, setoff, collection, and termination rights authorized or created by this Order, the Postpetition Hedging Agreements, or any related documents, as the case may be, for the benefit of the Hedge Counterparties, and (c) the rights of each Hedge Counterparty to exercise remedies as set forth in the Postpetition Hedging Agreements. Each Hedge Counterparty shall be entitled to the benefits of the provisions of section 364(e) of the Bankruptcy Code.

4. The relief and protections afforded by this Order shall survive any order that may be entered (a) converting any of these chapter 11 cases to a case under chapter 7 of the Bankruptcy Code; or (b) dismissing any of these chapter 11 cases and shall be in addition to any and all rights, powers or privileges provided for by the Postpetition Hedging Agreements.

5. The Banks are authorized to receive, process, honor, and pay any and all checks issued, or to be issued, and electronic funds transfers requested, or to be requested, by the Debtors relating to such obligations, to the extent that sufficient funds are on deposit in available funds in the applicable bank accounts to cover such payments. The Banks are authorized to accept and rely on all representations made by the Debtors with respect to which checks, drafts, wires, or automated clearing house transfers should be honored or dishonored in accordance with this or

any other order of this Court, whether such checks, drafts, wires, or transfers are dated prior to, on, or subsequent to the Petition Date, without any duty to inquire otherwise.

6. Notwithstanding anything to the contrary herein, any payment to be made by the Debtors pursuant to the authority granted herein shall be subject to and in compliance with any orders entered by the Court (1) approving the Debtors' entry into any postpetition debtor in possession financing facility, including any budget and the terms of any definitive documentation in connection therewith (the "**DIP Documents**"), and/or (2) authorizing the Debtors' use of cash collateral and/or any budget in connection therewith (in either case, the "**DIP Order**"). To the extent there is any inconsistency between the terms of the DIP Order or any DIP Documents, on the one hand, and this Order, on the other hand, the terms of the DIP Order or such DIP Document, as applicable, shall control. Notwithstanding anything in the DIP Order to the contrary, the Hedging Obligations shall be secured by first-priority liens in all DIP Collateral, which shall be *pari passu* with the DIP Liens.

7. Nothing contained in the Motion or this Order or any payment made pursuant to the authority granted by this Order is intended to be or shall be deemed to be (i) an admission as to the validity of any claim against the Debtors, (ii) a waiver of the Debtors' or any party in interest's rights to dispute the amount of, basis for, or validity of any claim, (iii) a waiver of the Debtors' rights under the Bankruptcy Code or any applicable nonbankruptcy law, (iv) an agreement or obligation to pay any claims, (v) a waiver of any claims or causes of action which may exist against any creditor or interest holder, or (vi) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code.

8. Notice of the Motion is adequate under Bankruptcy Rule 6004(a).

9. Notwithstanding the provisions of Bankruptcy Rule 6004(h), this Order shall be immediately effective and enforceable upon its entry.

10. The Debtors are authorized to take all actions necessary or appropriate to carry out the relief granted in this Order.

11. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.
